

World's Best Animal Urine Digester

# AUF™

## Animal Urine Formula

**Billions and billions of urine digesters per application. Totally digests animal urine, marking scents and odors everywhere: Digests healthy and ill or post surgery animal urine, incontinent animal urine & elderly animals. Digests urine from animals of every shape and size. Safely removes urea yellowing on animals fur; like cats & bunnies. When animal urine and stinky byproducts are out of control, it's time to put your trust in AUF!**

**Environmentally Non-Toxic Green Product**  
**32 oz. Bottle (946 ml)**

**Nothing works like AUF!**

AUF is a true custom formulated 100% natural animal urine and marking scent formula. Animal urine is one of the most difficult substances to remove. Man made and nature enzymes do not remove animal urine; if they did we would not have wild animals. It's impossible to find a more effective custom formulated animal urine remover than AUF.

AUF is the first product to uncover the secret hidden urine byproducts marking code. AUF was created to produce results the over thirteen-thousand junk science human urine & drain opener formulas packaged as animal urine removers could never achieve.

1. Shake bottle. Treat the indoor and outdoor areas with AUF. AUF must come into contact with urine markings and the source of urine odors. Use a trigger or garden sprayer, squirt or pour to saturate area. Allow AUF to air dry. Do not retreat for at least four to five days. Do not reapply AUF over treated area daily. Carpet machine safe: 6 parts water to 1 part AUF.

2. AUF is safe to use with the animal inside it's habitat, on carpet, flooring or any place they have left urine or feces messes. AUF is not a deterrent. Try and keep animals; dogs and cats away from areas if you believe they might remark during treatment.

3. Animal urine can be very pungent. When AUF digests animal urine and it's byproducts it may not reduce the pungent smell until after digestion is complete.

4. Be patient, no urine remover product no matter it's claim works in minutes or a few hours to remove animal urine. AUF is formulated to remove fresh and old animal urine. Safe to apply around or on animals to remove urine and skunk spray.

5. Repeat if necessary and please follow all the directions for best results. For further tips or help visit: [auf.works](http://auf.works)
