

Nixalite® Introduces

AirCrow™ Inflatable ScareCrow

Humanely Deters Pest Birds and Nuisance Animals

AirCrow is the first inflatable scarecrow specifically designed to humanely defend gardens, hobby orchards, small vineyards, boat docks, gazebos, landscaping and more. Stop birds and animals from eating your fruits, vegetables and berries without the use of unhealthy chemicals or

lethal traps. **AirCrow** uses lifelike erratic movement, bright colors and sound to harmlessly frighten away unwanted birds and nuisance animals. **AirCrow** is proven effective in repelling squirrels, birds, deer, raccoons, armadillos, Canadian geese and many others nuisance birds and animals.
