

Global ISO 9001 Certificate awarded to all IGEBA foggers and sprayers

Fogs oil or water base solutions

Superior quality, reliability and versatility from IGEBA

Made in Germany

## IGEBA - The Global Standard for Excellence and Quality in Thermal Fogging

### TF 65 Series Pulse Jet Thermal Foggers

A high performance thermal fogger used to create large volumes of fog with very small particle sizes. Efficient indoors and outdoors. When properly optioned, the TF 65 series can apply **Oil and Water Based** formulations with equal efficiency. Quickly mounts to a variety of vehicles.

### TF-35 Features:

Highest quality standards of any thermal fogger. Stainless fuel tank, formulation tank, air pump & fog tube. All TF 65 foggers come with the solution emergency cut off (the "E" in the part number).

### TF 65/20 E Specifications

Weight empty:..... 40 lbs / 17,7 kg  
 Dimensions Inches:..... 72.4 x 17.7 x 20.1  
 Dimensions Cm:..... 184 x 45 x 51  
 Solution Tank Capacity:..... 5.2 G / 20 L  
 Fuel Tank Capacity: ..... 1.4 G / 5,5 L  
 Fuel Requirements:..... Unleaded gasoline  
 Fuel Consumption:..... 1.1 Ghr / 4 Lhr  
 Max Flow Rate (oil base): ..... 19.8 Ghr / 75 Lhr  
 Ignition Batteries: ..... 4 "D" batteries

### Applications:

TF 65 series is a multi-purpose, high performance and high capacity thermal fogger. It efficiently applies oil and water based solutions. Examples;

- Bird control with Fog Force Bird Repellent
- Vector disease control for flying insects
- Disinfection of poultry and animal containment
- Mold and mildew abatement
- Pest control for greenhouses, plant nurseries, etc
- Special effects for film/entertainment
- Training tool for military/law enforcement

### TF 65 Series Options

**TF 65/20 E** - for all **oil based** solutions. Comes standard with emergency shut off ("E"). To order choose the Item # **IGEBA TF65E**

**TF-W 65/20 E** - for **water based** solutions. Comes with the "W" tube and E-shut off. To order, choose the Item # **IGEBA TF W 65E**

Upgrade your existing TF-65 by ordering these and other options separately or you can have Nixalite install them on a brand new TF-65.

Since 1982, IGEBA® has manufactured the highest quality fogging equipment in the world. Nixalite® of America Inc is an **approved IGEBA Fogger Service Center**. We can upgrade, maintain or repair your IGEBA Foggers. Contact Nixalite for details.
