

X-O[®] Odor Neutralizer

Eliminates the toughest odors safely, naturally & immediately.

Made in the USA, X-O Odor Neutralizer is the original, nature based deodorizer that is pH neutral and safe to use directly on fabrics, hard surfaces, people, pets and property. It leaves no cover-up fragrance behind.

Using a proprietary blend of deionized water and natural plant oils, X-O has been an all natural, green product since 1985. It was green (eco-friendly) long before being green was cool.

X-O eliminates a wide variety of odors. It is proven effective in eliminating cigarette smoke, cooking odors and other entrenched smells wherever they are found. Use X-O for odor elimination where safety is paramount.

Odor Neutralizer

The **Ready To Use (RTU)** X-O comes in a quart spray bottle or in a bulk gallon.

The **Concentrate** comes in a quart bottle or a bulk gallon size. Both are ready to mix with water and apply.
